

Annual Report
The Order of the Daughters of the King
Diocese of Pennsylvania
June 2011

Fall Assembly: Oct. 30, 2010

Hosted by St. James Episcopal Church, Downingtown

Theme: Mission at home and abroad

We heard a report from Ali Bove, a local high school senior who received money from us to accompany her church youth group on a mission trip to Kenya. This was a life-changing experience for Ali, and we were glad to hear from her about her experiences.

Michael Giansiracusa from Episcopal Community Services was also present, and he talked about the different ways DOK can support this organization. Through talking with the various chapters present, we discovered that many of our chapters already do a lot of local service, and some are already supporting Episcopal Community Services.

Scripture Study was Psalm 139: Search me and know me

Spring Assembly: April 29, 2011

Hosted by Schuylkill Deanery Chapter, at Calvary-St. Augustine

We did not have an overarching theme, but a newly formed chapter was installed at this assembly: the Fannie E. Wilson chapter. We were honored to have Bishop Rodney Michel present, to do the installation of the chapter, its officers, and to accept the new charter. The new members of this chapter will be installed on September 18, 2011.
