On August 29, 2009, Province III began with an Executive committee meeting to organize for the triennium. An addition to the Province Board will be a Service chair which is a new position that I created. I appointed Laura Richards as Chair. I have conducted monthly conference calls to strengthen the

communication between the Diocesan Presidents. Since all of the Diocesan Presidents are new in this position, this has proven to be a worthwhile endeavor.

Besides being your President, I am the Membership Chair on the National Council. It has been my privilege to share the vision of all Daughters whether Episcopalian, Anglican, Lutheran or Roman Catholic working together as we are modeling in our Province and in the Area of Pittsburgh. Because we have kept focused on the Lord, we as a Province have been able to be successful in living out our vows. Our Province is known for the wonderful spiritual retreats that we have had. Thank you for allowing me to serve you as President and to represent this dynamic Province.

In this triennium it is my goal to continue to seek the Lord through His Holy Spirit while serving as your President. We will continue to have retreats that are informative, spiritual and fun.

Please feel free to contact me with any suggestions or concerns.

FHS,

Carolyn Booker
