This year has been a year of traveling to many Dioceses throughout the Province. I plan to devote the final year of the triennium concentrating on membership (Nationally) and helping to write some procedure manuals for the our Province. I will continue to provide my leadership to the Province through our monthly Diocesan conference calls and other duties as deemed necessary. Hopefully, I will be able to institute one or two of our unassembled Dioceses. Please pray about this as we are getting close to having three chapters in a few of the unassembled Dioceses.

We have a great Province and I am pleased to represent you. I appreciate our wonderful enthusiastic Board and the services that they perform. Our Chaplain, The Rev. Huett M. Fleming, Jr. provides timely pastoral care to the Board and serves in guiding me to lead the Province. Our retreats are top notched and everyone who visits comments on the quality of our retreats.

Wishing you a Blessed and Spiritual experience at this retreat!
