ACTIVITIES OF THE DIOCESE:

Board Meetings: Executive Board January 9, 2010 and Executive Council March 13, 2010

Diocesan Assemblies (Brief description including dates, attendance and theme): April 17, 2010 – 54 attended and our speaker, Pam Runyon, gave a informative presentation on the status of the International DOK and a trip she took to England where she found evidence of a chapter and cross. Our Province III President, Carolyn Booker, gave a report on both the Provincial and National Councils and she discussed the importance of maintaining our spiritual health.

Diocesan Quiet Days (Brief description including dates, attendance and theme): N/A

Other Activities or Services Performed by the Diocese (not individual chapters): A quarterly publication the “Daughters Digest” is a new addition to communicate with the chapters about events and thoughtful articles. We sponsored a booth at the Episcopal Annual Council in January held in Richmond, VA.

SHARING:

Special Chapter/Individual Projects: Our chapters are very active in service filling any voids in their churches. Bible studies, card ministries, food and transportation ministries, prayer boxes and community support ministries are a few projects.

Diocesan Goals: We are praying about a ministry we can fill for our troops and are seeking information from a few sources so we can encourage those in harm's way and away from home.

Questions and Comments: I am very proud of my Diocesan team, they work together in mind and spirit to get any job done. I am very fortunate to have each of them on the board.
